Next Year:

- Contemplating moving up Pastries with Parents as a back to school/First Day of School event or have special event/PTA meeting for Kindergarten families
- Looking for event coordinators for family picnic, Jogathon, bagel days.
- Returning HS Seniors: thinking to have a breakfast with Troy High Grads after exams and before grad ceremony, another clap out. "Once a Hawk Always" a Hawk t-shirt budget.

Treasurers' Update: Have to decide on which sound system to order then see how much is left over in special projects budget for freshening up classrooms with paint. Once all quotes are in Exec will confer with Mrs. Glasser regarding how best to spend remaining \$5200 of major project budget. This year on target to rollover mandated \$8500 plus some extra funds.

Staff Update: Events for that touched the whole school body were especially appreciated by the staff this year: Beauty and the Beast show, author visit, classroom book grants

Principal Update: incoming 2nd and 4th grade will lose a section because the numbers of students have gone down, unless new kids move into the district. This will mean losing two teachers.

Angie Lentner: President

Meeting attendees expressed appreciation to this year's PTA Executive Board.

Adjournment: 8:00pm
